Honorable John M. Gerrard, Senior United States District Judge, I, Queno Martinez, the President of the National Latino Peace Officers Association - NLPOA Omaha Chapter am writing to request an extension in this matter in order to obtain counsel in this matter.

As a non-profit charter organization under the National Latino Peace Officers Association I am asking our parent organization for help with retaining counsel and I need to present my request to the national board of directors for a vote.

Additionally, Lt. Beverly Rodriguez of the Metro Transit Police in Minneapolis, MN, our Northern Region Vice President who represents my chapter on the national level as a voting member, was killed in a boating accident on June 22, 2025. The national organization has not yet made an appointment to replace her. I have been advised by our National President Chief Pete Lopez that no votes will happen until either the appointment of an interim VP for the Northern Region or the elections at our National Meeting on October 4th, 2025.

I am sending a copy of this letter to the interested party of National Latino Peace Officers Association Omaha Chapter Foundation via their representation Howard N. Kaplan, as well as the Plaintiff of the USA via Donald J. Klein and Sean P. Lynch.

Thank you,

Queño Martinez  
President  
NLPOA Omaha Chapter
